NASA Career, Education, and Research Opportunities

Business Management • Design & Development Engineering • Human Factors
Integration Engineering • Mission Assurance • Mission Execution • Nuclear Engineering
Quality Engineering & Assurance • Systems Engineering • Test Engineering

University of California-Berkeley
September 9-10

Pennsylvania State University
September 23-25

Cornell University
September 23-24

Massachusetts Institute of Technology
September 24-25

University of Puerto Rico-Mayaguez
October 1-5 University of Puerto Rico-Rio Piedras
Universidad del Turabo
Polytechnic University of Puerto Rico

Rensselaer Polytechnic Institute
October 2-4

North Carolina A&T State University
October 7-8 North Carolina Central University
Hampton University
Norfolk State University
South Carolina State University

Princeton University
October 9-10

Clark Atlanta University
October 14-16 Morehouse College
Morehouse School of Medicine
Spelman College

Northwestern University
October 22-23

Morgan State University
October 26-28 Bowie State University
Delaware State University
Lincoln University
Cheyney University
Howard University
City University of New York, City College

Tuskegee University
November 3-5 Alabama A&M University
Florida A&M University
Florida International University
Fisk University
Tennessee State University

Syracuse University
November 12-14

University of Texas-El Paso
November 16-18 University of Texas-Brownsville
New Mexico State University
New Mexico Highlands University
